Statement on Bullying Prevention

No one should suffer in silence, but have the courage to speak out, to put an end to his/her own suffering and that of other potential targets.

For the protection of the students and staff, River Rock Academy has created and maintained a learning atmosphere which is respectful and supportive. Providing a safe school environment where all students and staff are treated with respect and dignity, and are free from bullying, intimidation and harassment is one of our highest priorities. This freedom is fundamental to our program and is extended to everyone without exception. This policy is not intended to prohibit expression of religious, philosophical, or political views, provided that the expression does not substantially disrupt the education environment. We expect our students to refrain from becoming involved in any kind of bullying and report to a staff member any witnessed or suspected instance of bullying to help prevent further instances.

Our school setting provides an opportunity to teach students that cooperation and respect of others are key values at River Rock Academy. Our school setting includes:

- the school building and school grounds
- school vehicles
- any activity sponsored, supervised or sanctioned by the school
- any virtual environment which would reach a student or students inside the school and interfere with the student(s)' education and learning

For the purpose of our school policy, bullying is defined as a hostile activity which harms or induces fear through the threat of further aggression and/or creates terror. Bullying may be premeditated or a sudden activity. It may be subtle or easy to identify, done by one person or a group. Bullying includes but is not necessarily limited to:

- **Power imbalance** – occurs when a bully uses his/her physical or social power over a victim, such as offensive notes or graffiti, demeaning social media posts, texts, pictures, or emails (cyber bullying), teasing, spreading rumors, name calling
- **Intent to harm** – the bully seeks to inflict physical or emotional harm and/or takes pleasure in this activity, such as stealing, hiding or damaging another student's property, physical violence such as hitting, pushing or spitting at another student, exclusion that is severe or persistent and interferes with a student's education and creates a threatening environment
- **Threat of further aggression** – the bully and the victim believe the bullying will continue.
- **Terror** – when any bullying increases, it becomes a "systematic violence or harassment used to intimidate and maintain dominance."

(Barbara Coloroso, The Bully, The Bullied & The Bystander, 2003)

Bullying is a violation of our company norms and will not be tolerated. River Rock Academy condemns all forms of bullying. No one should be fearful of being bullied or harassed. The actions of any one person or group of individuals which threaten the health and safety of students and/or staff must be addressed promptly. Early intervention, reinforcement of a consistent message and follow-through from students, parents, staff and administration can ensure that everyone's right to learn and work in a safe environment is respected.

Program Overview

River Rock Academy is a Pennsylvania Department of Education approved private provider serving students from Cumberland, Dauphin, Franklin and Perry County School Districts in grades 6 – 12. Students are referred to River Rock Academy through their home school districts.

River Rock Academy provides academic instruction to students in the four core subject areas—math, language arts, science and social studies. Health and physical education are incorporated into the program as well. Students participate in both Life and Social Skills classes on a daily basis. Academic instruction is focused on students reaching PA Standards and Chapter 4 requirements for grade and subject. Academic instruction is delivered through both teacher-instructed and self-paced curriculum. Individualized computer-aided instruction allows students to research, learn, and enhance their academic ability. River Rock Academy staff provides individual, group, and behavioral counseling.

Services Provided

River Rock Academy students will receive behavioral and academic counseling on a regular basis. The clinical staff is supervised by a clinician with MSW and LSW credentials. Intensive psychological counseling will not be provided and recommendations for professional services will be reviewed with the student, family, and school district.

SMART goals will be implemented in conjunction with therapeutic and psycho-educational groups and individual counseling to facilitate transition plans. Transition plans will reintegrate students into the public school setting and community. School-to-work programs utilizing community experiences are available to eligible students.

Transportation will be provided to and from River Rock Academy by the referring school district. Any change to the regular transportation schedule needs to be approved by all parties who are involved with the students placement in the program including the parents.

Parental involvement proves vital to the success of students. Parents are invited to be involved in:

- meetings to develop/review SMART goals and transition plans
- meetings to review Individual Education Plans (IEP's)
- calls or visits to River Rock
- referrals to professional agencies
- parental advisory board

Attendance Policy

Attendance equates to success. Unexcused/illegal absences will result in disciplinary action. They will be reported to the appropriate referring agencies represented as well as the home school district. Missing the van is an unexcused/illegal absence. Attendance guidelines are as follows:

- All absences require a note from home within three days of the student's return to school.
- If a note is not received, the absence will be considered unexcused/illegal.
- If a student is absent for three consecutive days, a doctor's note must be brought in to school by a parent/guardian or faxed from the doctor's office on the third consecutive day.
- If a note is not received by the school on the third day, those absences will be considered unexcused/illegal.
- After three unexcused/illegal absences or ten cumulative absences, a doctor's note will be required for all subsequent absences.
- Students will be given the opportunity to make up missed work within the marking period that the absence(s) occurred.
- Work that is not made up will impact final grades.

STUDENTS MUST ASSUME THE RESPONSIBILITY TO REQUEST THEIR WORK.

Tardy Policy

Any student arriving AFTER 8:00 a.m. is considered late and must report to the office. Work missed must be requested by the student and can only be made up during the marking period in which the tardy arrival(s) occurred.

Academic Instruction

Students at River Rock Academy will have a variety of academic instruction. Both teacher-instructed and self-paced curriculum will be used. Another component will be individualized computer-aided instruction. Educational options will integrate teaching technology and strategy for maximum student achievement.

Computer Use Agreement

River Rock Academy has many computer systems available for use by its students. River Rock Academy does require that students use these computers in a responsible manner. Students should be sure that any computer activities are within the framework of instructions provided by the teacher responsible for the activity. Students may have access to a variety of Internet resources in various classes. It is expected that students follow teacher guidelines and exhibit responsible behavior in regard to these resources. Use of the computer/Internet is a privilege and not a right. Students acknowledge that all aspects of computer use are subject to monitoring and review without cause and without notice. Students understand that any conduct that is in conflict with these responsibilities is inappropriate and may result in termination of the use of River Rock Academy's computer/Internet privileges. Our school setting includes any virtual environment which would reach a student or students inside the school and interfere with the student(s)' education and learning. Students further acknowledge that disciplinary action may be taken, as well as possible legal action and/or financial restitution.

Grades

Grades will reflect participation, assignments completed, and test scores. Behavior and attendance will also be weighted in grade calculation.

Mid-term and marking period grades will be sent via mail on a quarterly basis to parents and home school districts.

Point System

River Rock Academy uses a five point system that is used to determine privileges and eligibility for special activities. It is also used for progress monitoring purposes. Each teacher evaluates every student in all periods each day. The measurable criteria for the point system are as follows:

TALID

Task – Student completes given task by the end of class period

Area – Student remains in classroom for full class period

Language – Student uses appropriate language for entire class period, if swearing does occur student corrects him/her self

Interaction – Student interacts well with peers (does not engage in horseplay or inappropriate interactions)

Direction – Student follows school and classroom directions needing 2 or fewer redirections

1 point each for a total of 5 points

Community Partnership Program

The Community Partnership Program is an integral part of the experience for students at River Rock Academy. By providing volunteer service to local non-profit organizations, students are able to connect in a positive way to their community while learning and demonstrating skills as well.

Local food banks, retirement homes, rescue missions, parks, gardens, and animal shelters are some of the places students have the opportunity to provide community service. As they participate, students develop meaningful relationships while understanding the positive effects that

giving back to others can have for their lives.

All River Rock Academy students who meet the expectations of the program have the opportunity to be involved with the Community Partnership Program. Participation is contingent upon program, parent, and school district approval.

Student Conduct & Responsibilities

Every student at River Rock Academy is expected to show courtesy and respect to each other and to all faculty members and visitors. Each student is to see that his own behavior is acceptable and appropriate at all times. All students share in the responsibility to develop a school climate that is respectful, tolerant of individual differences, and conducive to learning.

Three basic behavioral norms that are the foundations of River Rock are:

1. No student has the right to hurt, intimidate, or ridicule another student.
2. Education and the classroom are sacred.
3. Our school is sacred and we will always protect its property and belongings.

Search Policy

The safety of our students is paramount at River Rock Academy. Therefore, searches occur regularly to ensure our school is safe and drug-free. Police and K-9 units may also be utilized to randomly search students and the school. Students who are given the opportunity to drive to school must submit to random searches of their vehicles as defined in the driving agreement.

Safety and Security

Safe2SaySomething (S2SS) is designed to help staff and students recognize risk factors and signals of those who may be a threat to themselves or others. From a student perspective, S2SS teaches students to treat every warning sign seriously and to act quickly to get help by talking to a trusted adult and/or by reporting it anonymously to the Pennsylvania S2SS Crisis Center via telephone, mobile device, or website.

The program is based on the following three-step system:

1. An anonymous tip is submitted via one of the following options:

Website: safe2saypa.org or Tip Line: 1-844-SAF2SAY or Mobile App

2. All calls and tips are received by the 24/7 S2SS Crisis Center.

An S2SS Crisis Center analyst receives and reviews tip information. The tip is triaged and categorized as either life safety or non-life safety.

The tip is then sent to school officials and law enforcement/911 call center (as needed) via text, email, and/or phone call.

3. School officials and law enforcement intervene and/or offer assistance to School official

and law enforcement (as needed) investigate, assess, and intervene with reported at-risk individuals.

School officials report their outcomes into the Safe2SaySomething platform and close out the tip, ensuring accountability for every tip submitted. Specific questions relative to the S2SS program may be directed to River Rock Academy's Coordinator of Safe2SaySomething, Ed McManama, at emcmanama@riverrockacademy.net.

Safe Crisis Management

River Rock Academy attempts to manage physical aggression and/or violence safely. Non-physical intervention is always preferred. Physical intervention is used as a last resort to maintain a safe environment.

Safe Crisis Management should be a rare occurrence, however, it is important that students and parents are knowledgeable on the philosophy.

All River Rock Academy staff members are trained in Safe Crisis Management through a Department of Welfare approved course.

Care for School Property

It is everyone's responsibility to take care of our school. Anyone found damaging school property will face disciplinary action and criminal charges. Students who have been found to cause property damage will be required to pay restitution. Any student in the possession of damaged property will be held accountable. Therefore, students need to report any markings on desks and books to a staff member immediately.

It is also expected that students not touch walls or framed art throughout the building.

Quiet Hallways

Hallways in River Rock Academy are to remain quiet at all times. This means students may not speak in the hallways.

Exceptions to this rule are the following:

1. Students need to respond to a staff member's question or directives.
2. Students are to greet an adult in a positive manner.

Dress Code

1. All students are expected to practice good daily hygiene.
2. Hoodies and coats will not be worn in the building.
3. Hats and other headwear such as headbands or bandanas will be removed upon entering the building.
4. Clothing should be neat, clean, and seasonally appropriate. This means that pants should be worn at the waist with no boxers or underwear showing. Shorts/skirts and shirts/tops should not be tight, too short, or transparent. Midriffs should be covered at all times. Tank tops are not permitted at anytime.
5. Ornaments/apparel depicting or alluding to drugs, alcohol, tobacco, Satan, racial intimidation, gangs, or vulgarities are not permitted.
6. Jewelry large enough to be used as weapons will be confiscated.
7. Pajamas and slippers are not permitted.

Staff will use their discretion to make judgments about the dress code.

Lunches

Lunch is available for purchase from the local school district with a reduced rate cost for qualifying students. Students will be notified of the cost at the beginning of the school year. Free lunch is also available to qualifying students. Parents/guardians must complete the school lunch application form to be considered for a free or reduced rate lunch. Students are permitted to pack a lunch. No opened drink container or glass containers are allowed in school. Water and juice containers in packed lunches must be sealed and consumed at lunch time only. Students **MAY NOT** sell their lunches to other students. In the event that the student is tardy past 9:00 a.m., a lunch cannot be ordered.

Snacks

Snacks are available for students to purchase twice a day. The proceeds from the sale of snacks is used for program activities. No outside food or drink may be brought into our school other than a packed lunch. No gum or candy will be permitted on the premises. Bottled water is the only drink allowed for purchase in the program. No powdered drink packets are allowed.

Medication Permission

In order for River Rock Academy to administer any over the counter or prescription medication, these rules must be followed:

Before receiving any over the counter medications or prescription medications from River Rock Academy, students must have completed River Rock's medication paperwork or have a prescription from the ordering physician and a note from parent or guardian. Both signatures are needed before any medications will be given. If one or any of the signatures are missing, medications will not be given.

Verbal consent for over the counter medications such as Tylenol or cough drops will not be permitted.

To ensure the safety of the student, over the counter medications will only be given between 11:00 a.m. until 12:30 p.m. This reduces the occurrence of medication errors. This is due to staff being unable to verify what medication might have been taken at home.

If the signatures are missing and the parent or guardian feels their child needs this medication, the parent or guardian may bring the medication in and provide the medication at that time.

**THE BEST THING ABOUT THE FUTURE IS THAT IT
COMES ONE DAY AT A TIME.**
